New Features

Compliance > State > Texas > TSDS

- Summer PEIMS: Due to COVID-19 AND for the 2019-2020 school year *only*, cycle 6 has been removed, and everything from cycle 6 has been reassigned to cycle 5. This change doesn't affect any prior or future years. WEB-3314

Finance > Payroll

- Processing > Payroll Batches > Scheduled Payments > Payroll Payment Detail: When adding Earnings for a supplemental position, the new **Distribution** field allows the user to select between *Supplemental is State Retirement System qualified* and *Supplemental is NOT State Retirement System qualified*. The purpose of this feature is to appropriately generate and report TRS contributions — namely statutory over minimum and the contribution formerly known as non-OASDI. WEB-3326

Improvements

Admin

- Admin > Data Management > Student I/O > Student Import Defn: Added the Dyslexia Risk Code field in Programs/Statures > Other Program Info. WEB-3309

Compliance > State > Texas

- TRAQS/TEAMS: The ED90 termination date is now coming from the employee's contract end date instead of the employee's termination date. WEB-3163
- TSDS
 - Class Roster: Now pulls Population Served. WEB-3256
 - Summer PEIMS
 - Course Completion: Only complete course attempts are reported. WEB-3345
 - Crisis codes: Updated the C178 code table with the new COVID-19 crisis codes. WEB-3365
 - Transcript: Now only includes transcripts for students in grades 3 – 12. WEB-3316

Finance

- HR > Leave > Leave Forms: When creating a leave form as a multi-district user, the leave form will automatically be created for the district the user is logged into. WEB-3339

Students

- Grades > Set Up > GPA Logic: A new GPA logic can be added that can then be used to exclude a term from the GPA. WEB-3311
- Reports > Dyslexia Report & Dyslexia SPED Report: Added a Grade Level filter. WEB-3310

Bugs Fixed

Admin

- Admin > Security > Users > Access Control: Restored campus level GradeBook access. WEB-3262
- District
 - Campuses > Annual Information: Changing the dates of the Instructional Period now updates the instructional dates in Annual Information. WEB-326
 - Districts > State Tax Authority > Tax Information: Fixed an issue preventing user from saving changes to the unemployment tax vendor. WEB-2126

Compliance > State > Texas

- TRAQS/TEAMS
 - Above state minimum is now being reported for all positions designated as subject to above state minimum. WEB-3327
 - Fixed an issue causing an employee's wage & contributions to be doubled if the employee was transitioning positions. WEB-3352
 - Fixed data generated for non-OASDI reporting before the addition of the new Distribution field described above in the New Features section. WEB-3357
- TSDS
 - Class Roster
 - InterchangeStudentEnrollmentExtension: Fixed a bug resulting in the generation of multiple erroneous promotion records. WEB-3297
 - InterchangeMasterScheduleExtension: Removed an extra space in the label LEA Course Code that was causing the upload to fail. WEB-3315
 - PEIMS > InterchangeEducationOrgCalendar: Instructional program type codes can now report operational and instructional minutes separately. WEB-3374

Finance

- Assets > Depreciation Run: In a multi-district client, the Delete function now correctly checks the last run for the district from which the run is being deleted. WEB-3361
- General Ledger > Chart of Accounts > Code Tables > Fund: Creating a new fund now allows user to enter the Code and enter the Actual & Budget Codes. WEB-3340
- HR
 - Organization > Promote Contracts: Fixed an issue causing a contract that qualifies for promotion but has no positions that should qualify to be counted in the utility even though it shouldn't be. WEB-3308
 - Staff Manager > Leave: Restored the Initialize Leave Balance button to enable custom accrual of leave mid-year. WEB-3347

Students

- Reports > Progress Report Assignment Detail: When a grading policy is set to points-based versus numeric *and* modifiers are used, this report now displays the modifiers. WEB-3362
- Scheduling > Schedule Manager: Fixed a bug causing the Bulk Transfer Students action to fail if start date is not the first date of the term. WEB-3341
