New Features

Students > Reports

- ** Student Graduates: This report now has a *PEIMS Only* check box that if checked will show graduates from prior school year – dates of 9/1 – 8/31. If it is not checked, report will show graduates from current instructional period. WEB-3355
- ** ADSY Reporting: This new report totals the number of days *Absent* and *Present* for the students. You can sort by campus or all campuses and select the date range you desire. WEB-4415

Improvements

Admin > District > Campuses

- ** Annual Information > Extended Learning Opportunities: Replaced attribute field with a new ELO Activity drop down menu for the Activity codes when editing/adding ELO in school year 2021-2022. WEB-4385, WEB-4425

Finance

- ** Banking & Receipts > Reconciliation: Now checks dates so you cannot change the statement date outside of the current period. Current period dates are not editable and are defaulted to begin the day after the last day of the previous period. WEB-4456
- HR > Staff Manager > Roles
 - ** Responsibilities: Added an input box for number of students when adding a responsibility with ADSY indicator as true. WEB-4410
 - ** Teacher Incentive Allotment: New screen that has two new fields – Creditable Year of Service and Teacher Incentive Allotment Designation. WEB-4467, WEB-4494
- Purchasing & AP
 -  ** Purchasing > Requisitions & Purchase Orders: Added total quantity of items in a requisition/purchase order to the bottom of the page. WEB-2149

Contact Support

© 2021, Harris School Solutions. All rights reserved.

- Purchasing & AP, continued
 -  ** Payables > Receiving: Added a running total to show the remaining quantity of items after entering invoices. WEB-2149
-  ** Reports > Staff Demographic Release Extract: Added the column “Authorized to release Demographic information” in the extract to show who has authorized the release of their demographic information or not. WEB-3167
- Payroll > Processing > Payroll Batches: When editing Supplemental Payrolls, SUTA can be adjusted just like Workers Compensation with Taxable Gross entered on the left, and Contributions on the right. This is only available in Supplemental Payrolls. WEB-4556

Students

- Reports:
 - ADA/Schedule Mismatch: Made changes to improve performance. WEB-4400
 -  ** Attendance Submission: Added Schedule Track as a new parameter to further narrow down results for schools with multiple attendance tracks. WEB-4327
 - Truancy: Now indicates whether Excessive Unexcused Absence Indicator is defined by the system or defined manually by showing an asterisk next to the value that has been changed manually. WEB-4458
- Students > Student Manager
 -  ** Discipline: Under Discipline you can now find an edit Documents section where you can upload, view, or delete documents pertaining to discipline. WEB-4320
 - ** Permanent Record > Other Information: Added a new field *Financial Aid Application Code* to keep track of the new requirement that students must submit either a FAFSA, TASFA, or opt out of the requirement. This requirement is reported for grades 9 and above starting with 2022 graduates. WEB-4412
 - ** Special Education > Instructional Setting Enrollment > SELA tab: Added a new field *E1723 Eligibility Date* which indicates the date upon which a student who is deaf or hard of hearing is eligible for services. WEB-4519

Bugs Fixed

Admin

- Admin > Admin > Data Management > Student I/O > Student Imports > SOS API: Fixed an issue where all new imported students were having the *Release To* field marked true automatically. WEB-4366

Compliance > State > Texas > TSDS

- Removed Program references from 10020 – SchoolExtension, they now only appear in 10010 – LocalEducationAgencyExtension. WEB-4454
- Summer submission > InterchangeEducationOrgCalendar > 10200 – CalendarDate: WEB-4445
 - Added element E1571 School-Day-Operational-Minutes.
 - Added E1572 School-Day-Waiver-Minutes.
 - These were not in the extract and causing validation errors which are now fixed.

Finance

- Reports:
 - Payroll Encumbrance Detail: Fixed a fatal error that prevented report generation. WEB-4428
 - Payroll Encumbrance Summary: Fixed a fatal error that prevented report generation. WEB-4428
- Purchasing & AP
 - Purchasing > Purchase Orders: Validation checking fixed for when you are cloning a PO to a new fiscal. WEB-4442
 - Payments > Make Payments: Fixed a fatal error when trying to create a check number that already exists. For same vendor or same account number, you will receive a validation error. You may use same check number only when it is for a different account or different vendor. WEB-4361
- HR > Staff Manager > HR Info > Federal Withholding Elections: Changed the order of the Filing Status drop-down list to Single, Married, Head of Household, and Exempt. WEB-4471

Students

- Student Manager
 - Edit Student > enrollment: You can now Add (“change Status”), Remove, and Edit ADSY Enrollments correctly. WEB-4448
- Students > Special Ed. > Surrogates: Fixed a fatal error when trying to remove a Surrogate. WEB-4514
- Scheduling > Schedule Manager: Fixed an error when trying to add a new section of a course offering and selecting too many periods. You can now add as many periods as you want for a given section. WEB-4447
- Reports > Edlio Engage Extract: Fixed an issue where it was not getting all the information when run as Contacts File Type. WEB-4530
- Attendance Manager: Fixed an issue where attendance was being allowed the ability to post on days not included on the student’s ADSY Calendar. WEB-4560

Compliance Improvements
