

Harris School Solutions has an issue tracking system, named JIRA, to monitor program enhancements and defects. The WEB numbers refer to the issues in JIRA that were resolved in this release.

To submit an idea for product enhancements/improvements, click [here](#) to open the Idea Portal. New features and improvements added because of a request in the Idea Portal are marked with .

New Features

Finance

-  Finance > Payables > Bills: Added the ability to duplicate a bill. Clicking the plus icon in the Bills list creates an exact copy of the existing bill, defaulting to the current date, which may be changed. Account codes will be automatically changed to the new year's account code unless it does not exist. WEB-4284

Students > Reports

- Report Cards Summary: New report that displays whether a student's report card has been viewed by a parent via Parent Portal. It will display students by campus, who viewed them, and provide a timestamp of when it was viewed. WEB-4295
