New Features

Compliance

- Reports: Added the IRS Form 1096 for 2020. WEB-3955

Finance

- Payroll: Added the ability to adjust Workers Compensation amounts in a supplemental batch. This feature was added since the TWC rates won't be released until February, but need to be applied in January. WEB-3961

Students

- Reports: Updated the Student Demographic Extract to properly handle multiple crisis codes/per student. WEB-4013

Improvements

Finance

- Vendor Reports > Vendor List, Vendor List - 1099 Identifier, Vendor Transactions for 1099s: Changed the 1099 Box Number parameter to list long names for income type, rather than the old box numbers. Changed the reports to show abbreviated form of income type instead of old box numbers. WEB-3957, WEB-4011

Students

- Grades > Grade Book: Label of command on Log tab was changed from "Recover Grades From Log" to "Attempt Recovery of Grades From Log". WEB-3976
- Students > Demographic Flags > Crisis Codes: Added codes 1A, 1B, 1C, 2 A, 2B, and 2C for January and March 2021. WEB-3993

Bugs Fixed

Admin

- Admin > Automation: The system now prevents the deletion of FTP endpoints when they have associated automated jobs. WEB-3966

Compliance

- Federal
  - IRS 1099 > New 1099 Entry & 1099 Details Edit screen: Fixed a typo, changing label of box from FACTA Filing requirement to FATCA Filing requirement. WEB-3956
  - IRS W2: Fixed a bug causing the system to generate W-2s for employees with no pay. WEB-4062
- Reports > IRS Form 1099 & IRS Form W2: Boxes on these forms now line up with pre-printed forms. WEB-3980

Finance

- Reports > W4 Withholding Worksheet: Fixed the reversal of the *Step 2(c): Multiple Jobs* flag on *HR > Staff Manager > HR Info > Federal Withholding Elections* that was causing the wrong amount to be reported on line 1G on the W4 Withholding Worksheet. Line 1G now correctly reports 0.00 when the Multiple Jobs checkbox IS checked and a non-zero amount when the Multiple Jobs checkbox is NOT checked. WEB-4020

Students

- Reports
  - Amplify Extract: This report now uses the UID for Student Primary ID and the Staff TSDSUID for the Staff Primary ID. WEB-3981
  - Gradebook Detail: Corrected the alphabetical sort order so names in all caps are no longer listed before those with mixed caps. WEB-3970
- Students > Student Manager: Closed sections are no longer available for scheduling. WEB-3983
