WSDEV-1144

Added new Data Entry screens for SPED Summer Submission to report ECSE Outcomes for Entry Data (SPPI- Indicator 6), Exit Data (SPPI- Indicator 7) and TransitionSet Data (SPPI- Indicator 13).

WSDEV-1139

Several StateServiceIDs were retired based on the TEA course catalog.

WSDEV-1147

The EDFI CourseTranscript entity has been replaced with the new CourseTranscriptExt which includes the section as a reference and Course Sequence.

Student Reporting

WSDEV-1164

The Flex Attend Program Type has been added to the ADA Attendance Detail Report excel version in the last column.

TeamSupport Ticket

GPA-Class Rank

WEBSMART-2834

The calculate GPA buttons have been removed from the Instructional Period- Annual Information Tasks. All GPA calculations should be done in Students- GPA logic.

Report Cards

WEBSMART-2967

This is an Idea Portal request to add a new Pulled Date to the Report Card UI to identify when the Report Card Run was last generated. This does not update when individual student report cards are generated. Student Report card updates are checked in the Report Card Run - audit log.

UI

WEBSMART-2971

The Attendance Data Entry UI row height has been adjusted to match all other screens.
